Other Application Requirements

Bond: Name sensitive. Do not include an address on the bond, only the name of the company and the DBA name, if applicable, is to be on the bond. At the time of application the applicant must provide this department with a continuous surety bond. A bond form is included for your use. Surety bond requirements range from \$25,000 to \$100,000. The amount of the bond is computed on a base consisting of total assets of the applicant plus the unpaid balance of loans which it services for others as of the end of the applicants fiscal year. However, the amount of the bond required is \$25,000.00 if your investors are limited solely to institutional investors which are defined as: state or national banks, state or federal savings and loan associations, state or federal savings banks, state or federal credit unions, federal government agencies or instrumentalities, quasi-federal government agencies, financial enterprise, licensed real estate brokers or salesmen, profit sharing or pension trusts and insurance companies. This bond must be executed by the applicant as principal and a surety company that is authorized to conduct business in this state. Only one bond is required. Separate bonding of branch offices is not required. Your insurance company can assist you in obtaining a bond. Bonding companies often take several weeks to issue a mortgage banker's bond. In some circumstances a certificate of deposit can be substituted in lieu of a bond. Refer to the statutes for more information concerning the requirements for the certificate of deposit.

Personal History Statement (PH) And Fingerprint Card (FP): If the applicant is an individual (s)he must complete both the PH and FP documents. If the applicant is a corporation a PH and FP must be completed by each of the (5) highest corporate officers and by the Responsible Individual who must also be an employee and active in the management of the corporation. In the event the corporation has only one officer, then any manager(s), director(s) or anyone in a managerial/responsible position should also complete a PH and FP. The PH and FP card must be completed by each member of a Limited Liability Company. Partners of a Partnerships and Trustee members must also complete a PH and FP card. The Personal History Statements and Fingerprint Cards must be submitted to this department as part of the original application package. *Do not leave any questions unanswered.* Fingerprints must be done by a law enforcement agency. The personal profile information on the top portion of each card *must* be completed. Our fingerprint cards must be used. Review Fingerprint Card Instructions sheet enclosed. Incorrect card processing will be rejected by the FBI and retakes will be required. Go to the Licensing page of our website azdfi.gov to request fingerprint cards. Persons listed on questions 9, 10 and 11 must complete a PH and FP. Persons listed on question 9 also need to complete a PF.

Please Read Carefully: In order to qualify for the license the individual applicant or, if the applicant is other than an individual, the responsible individual (see Question on application) must meet five (5) qualifications. These are set forth below:

1. Have not less than three years experience in making mortgage banking loans or equivalent lending experience in a related business. The responsible individual must have past or current employers provide original verification letters of employment with job description on that company's letterhead (need originals - no copies). We will not accept resumes, personal references or education as proof of job experience. Qualifying the responsible individual on a license application is a very important part of getting your license approved. They also must be credit worthy.
2. Applicants must intend to engage in the business of making loans or Mortgage Banking Loans. A Mortgage Banking Loan means a loan, funded exclusively from the Mortgage Banker's own resources that are directly or indirectly secured by a mortgage or deed of trust or any lien interest created with the consent of the owner of real property located in Arizona. For the purposes of this paragraph "own resources," means any of the following.
 - (a) Cash, corporate capital, warehouse credit lines at commercial, savings banks or savings & loan associations or other sources that are liability items on the mortgage banker's financial statements for which its assets are pledged.
 - (b) Correspondent contracts between the mortgage banker and a bank, savings bank, trust company, savings & loan association, credit union, profit sharing or pension trust, consumer loan company or insurance company.
 - (c) The mortgage banker's affiliates' cash, corporate capital, warehouse credit lines at commercial banks or other sources that are liability items on the affiliates' financial statements for which the affiliates' assets are pledged.

If audited financials are older than 6 months include a current signed interim Balance Statement and Profit & Loss Statements.

5. The individual applicant or the responsible individual must also be a bona fide resident of the State of Arizona on the date of the application for license. Enclose a legible copy of your Arizona drivers license with your application.

W-9: A completed W-9 form must be included with your application package.

Verification of Licenses Issued By Other States: Are you licensed in other states in connection with the mortgage industry? If so, please provide photo-copies of the actual current licenses that have been issued by the agency of any state or federal government regarding the mortgage industry only.

Application / Licensing Information

Include all documentation when you submit the application. Review **Checklist** for assistance in submitting a complete application packet. Do not leave any questions unanswered. If a question does not apply to you or if, the answer to the question is 'none', so state on the application. Incomplete forms, inaccurate information or applications packets (missing documents) will not be accepted. This may result in a substantial delay. In the event your application is returned to you, or if additional information is requested, your prompt response will help improve processing time. If you fail to provide the necessary information in a timely manner your license application may be withdrawn and you will have to reapply and pay the appropriate fees again. Until the Superintendent of Financial Institutions has issued the license, you cannot conduct the activity of a mortgage banker as defined in Arizona Revised Statutes § 6-941 through 6-948.

Attachments: All questions must be answered on the forms. You may use attachments only when you need additional space to complete the questions. Any attachments must be labeled properly.

Company Contact Person: We require a contact person who will handle Compliance and Licensing issues. This person will need to provide a telephone number, fax number and email address. If this changes we need to know immediately. Also we need an email address that is a constant. This email address will be used for Department Bulletins that need to go to the President of the company.

Derogatory Credit or Criminal Issues: Provide written explanation and proof of resolved derogatory credit and criminal issues. Good credit and criminal history is required on everyone submitting a personal history form especially the responsible individual.

Estimated Processing Time Is 120 Days From Date Of Receipt: If you submit out-dated forms, the application package will be returned to you and you will need to resubmit the application packet using current forms. Make photocopies of the completed forms for your records. Our office cannot provide you with copies.

License Issued: A license issued prior to or on the renewal date must renew for the new licensing year. You may choose to delay the issuance of the license until the beginning of the new licensing year if you submit your application no more than **thirty (30) days** prior to the new licensing year and your written request of postponement accompanies your application. The licensing year is April 1st through March 31st.

Fees: (Application Fees are Non-Refundable)

Application fee of fifteen hundred dollar (\$1,500.00) must accompany the application package. If you are applying for more than an Arizona principal location, whether it is inside or outside of Arizona a five hundred dollar (\$500.00) application fee must be included for each additional office.

Fingerprint-processing fee is twenty-nine dollar (\$29.00) for each fingerprint card. The card(s) and fee(s) must be included with your application. Only one card per person is required. Please submit a separate check for the total amount of all fingerprint fees.

Mortgage Banker Application Instructions

Section 2

Page 4 of 4

Licensing Fee is one thousand two hundred fifty dollars (\$1,250.00) for the first office and two hundred fifty dollars (\$250.00) for each branch office. Do not send the licensing fee with your application. The licensing fee is pro-rated. Upon application approval, this Department will notified you of the pro-rated licensing fee.

General Information For Approved Licensee's: Do not wait until renewal time to make changes to your license. This will hold up the renewal process and can effect any loans in your pipeline with your lenders. In addition, you may be assessed a civil money penalty for failure to report these changes in a timely manner.

Changes Made To Your License / Original Application Information: If any of the original application information change (e.g., name, address, phone number, officers, or a change of control), after you have received your license you must report the change in writing to the Department before the change takes place.

Responsible Individual Change: The licensee *must* notify the superintendent in writing that its responsible individual will cease to be in active management of the licensee within *ten (10) days* of learning that fact. You then have *90 days* to replace your responsible individual with a qualified person or you must surrender your license. There are no exceptions.

Renewal Applications: Renewal applications are mailed out 30 to 45 days before your renewal date. The completed renewal documents and fees must be received in our office not later than the last day of the licensing year. The Department suggests that you establish adequate internal procedures to follow up on the timely receipt and submission of the renewal application and fees. The Department mails the renewal forms as a courtesy to the licensee. It is the responsibility of the licensee to renew its license(s).

Renewal Fees: A fee of one thousand two hundred fifty dollars (\$1,250.00) is due if the licensee negotiated or closed in the aggregate (aggregate includes loans outside of Arizona) 100 loans or more in the immediately preceding calendar year and seven hundred fifty dollars (\$750.00) is due if the licensee negotiated or closed in the aggregate 100 loans or less in the immediately preceding calendar year. In addition two hundred fifty dollars (\$250.00) for each branch office.

License Verifications: *If you need to verify whether or not companies are licensed in the course of your business, you may access our website at azdfi.gov and click on the button titled "List of Licensees". The list is updated on a daily basis. Only active licenses are on the web. Follow the instruction listed on the website to look up companies with DBA names. Press Control+F Keys together to bring up the Find screen. Key in the licensee's name or number and enter. If the licensee holds a currently active license, the licensee will be highlighted at the bottom of your screen.*

You need to conduct your business in compliance with the Arizona revised statutes. We suggest that you keep these instructions for a quick reference.
